

St Giles with St Matthew

We are delighted that St Giles with St Matthew is now open for public worship with a short said service of Holy Communion on **Sundays at 10.30am** and on **Thursdays, 10am**.

Under the circumstances, numbers are restricted, and so we ask you to 'book in' your attendance (please note that occasionally, for various reasons, services might have to be cancelled).

This is a 'new normal' for us all; thank you for being patient as we meet together for worship while remaining safe.

Some things you need to know:

Face-coverings are now mandatory (these can be bought disposable or washable masks, ones you've made yourself or even scarves).

In order to follow physical distancing guidelines, there are measures put in place. Please be guided by the stewards.

Please use hand-sanitiser available on entry to and exit of the church.

In an emergency, toilet facilities will be made available in the small hall, but please note there is no access to the toilet in church.

In order to assist the NHS we will be asking you to register your name and contact details to help with Track and Trace, should it be needed.

In order to book, please telephone:

Corrina Coulson on 07850 418390
